FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

August 29, 2002

Marlene H. Dortch, Secretary  
Federal Communications Commission  
445 12<sup>th</sup> Street, S.W.  
Washington, DC 20554

In re: Notice in CC Docket No. 00-257  
Transfer of Long Distance Customers pursuant to  
Section 64.1120(e) Streamlined Procedure

Dear Ms. Dortch:

Cingular Wireless LLC, on behalf of certain affiliates that are Commercial Mobile Radio Service ("CMRS") licensees (collectively "Cingular") in various markets in the states listed on Enclosure A, hereby files this notice in accordance with the streamlined procedure set forth in Section 64.1120(e) of the Commission's rules. Specifically, due to the implementation of a new billing system, Cingular's customers in the listed markets will be unable to obtain long distance service from AT&T Communications as of October 1, 2002. To ensure continuous access to long distance service, AT&T Communications has agreed to transfer these customers to Cingular's long distance service effective October 1, 2002.

In conversation with the Commission's staff earlier this year concerning a similar bulk transfer, Cingular was informed that Cingular's affiliates may not be required to avail themselves of the streamlined procedure available to telecommunications carriers under Section 64.1120(e) when effecting a bulk transfer of a subscriber base from another long distance carrier. Nevertheless, out an abundance of caution (and so that Cingular's affiliates cannot be accused of slamming with respect to this transfer of subscribers), Cingular hereby submits this notice in accordance with the provisions of Section 64.1120(e) of the Commission's rules.

The names of the parties to the transaction:

- a. Transferring carrier: AT&T Communications
- b. Acquiring carrier: Cingular Wireless LLC, on behalf of certain affiliates

The types of telecommunications services to be provided to the affected subscribers: long distance service

No. of Copies rec'd ot/1  
List ABCDE

Marlene H. Dortch, Secretary

Page Two

The date of the transfer of the subscriber base to the acquiring carrier:  
October 1, 2002

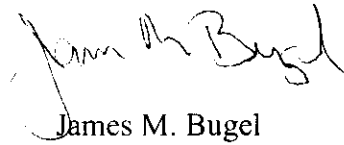

Cingular hereby certifies compliance with the requirement to provide advance subscriber notice in accordance with Section 64.1120(e), with the obligations specified in that notice, and with other statutory and Commission requirements that apply to this streamlined procedure.

Cingular also encloses, as Enclosure B, a copy of the notice sent to the affected subscribers of AT&T Communications on or before August 23, 2002.

If, subsequent to this filing, any material changes to the required information should develop, Cingular will file written notification of these changes with the Commission no more than 10 days after October 1, 2002.

If there are any questions concerning this filing, please contact the undersigned.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "James M. Bugel", is written over a horizontal line.

James M. Bugel

Dear Sample A. Sample,

Currently, AT&T provides you with your long distance service. **Effective October 1, 2002, AT&T will no longer offer long distance service to wireless customers.** Rather than interrupt your long distance service, Cingular Wireless will become your long distance provider on September 21, 2002, unless you specify otherwise before that date. Federal law allows wireless carriers to afford their subscribers the benefit of integrating long distance into their wireless services. In addition, your Cingular Wireless service contract allows for the flexibility to change third-party service providers. There is no fee to change your long distance carrier.

Cingular Wireless long distance rates vary according to your own individual contract. However, we do have some exciting new rate plans that incorporate domestic long distance into your service at no extra charge! If you would like to explore one of these options, or if you have any questions about this letter, please access our website at [www.cingular.com](http://www.cingular.com) or call 1-866-CINGULAR, or \*611 from your wireless phone (a free call). Our representatives will be happy to answer your questions, or to tell you about our rate plans; helping you select which one would be best for you. You will be notified by mail of any changes in rates, terms, or conditions.

If you have questions about your long distance bill for any calls made prior to September 21, please call the number listed on your AT&T bill. For all billing questions regarding calls made September 21 or later, please call 1-866-CINGULAR. Every effort will be made to eliminate any disruption to your long distance service and to insure an undetectable transition. We hope you will enjoy the benefits of Cingular long distance service and look forward to serving you.

Sincerely,

Cingular Wireless
